

Aneesh Chauhan

- Expertise Leader | Computer Vision and Robotics (since 2017)
 - Focus: Post-harvest Technology and AgroFood Robotics
- Education
 - B. Eng. Computer Science and Engineering (BAMU, India | 2001)
 - MSc. Autonomous Systems (Exeter University, UK, 2004)
 - PhD Informatics and Robotics (University of Aveiro, Portugal 2014)
- Experience
 - 2 decades of experience in Computer Vision, Machine Learning and Robotics
 - Robotic systems: Robotic arms, Humanoid robots, Drones
 - Applications: Agri-food, Service robotics, Industrial inspection
